ONE MOMENT VICTORY

The Lancers had a very disappointing season, losing all but one game Lennox's one moment of victory came when they downed the Hawthorne Cougars 20-16, the first game ever played by the two teams

Although Lennox only won one of their games, they kept their pride by fighting with all they had. Although Lennox only won one game, we should still pay tribute to those who did outstanding on the team. The Most Valuable Player was Kevin Lawrence, and the Most Scored Points went to Anthony Hampton. Letchen Parker, Kevin Lawrence and Graig Gutman were players who made All League Team. The football team would also like to thank everyone who went to support the team with spirit

SOPH-FROSH comes in 2nd place

This year was a whole different story from last year When this young Soph-Frosh team was unable to capture a single victory. The young Lancers came out this year, against a tough Culver City team and tied them 7.7. From there on their competition got a little tougher, and in their pre-season games they fell short. But when the league came the young Soph-Frosh team was almost unstopable averaging over 20 points a game while allowing their opponents less than 10 points.

The Lancers worse defeat came against Miraleste. The Lancers needed this win to go into 1st place and come in 1st place in the League. In this gruelling game the Lancers played a great defense, but needed help with their offense, osing the game 23-21

Pinto takes top volleyball honors again

With only Reina Pinto returning from last year, Coach Wheelers 1980 volleyball team set about developing their skills, understanding of the game, and ability to perform together as a team. The girls showed great hustle and togetherness in heartbreaking losses to taller, more experienced squads from Hawthorne and Morning side. Reina Pinto was team captain and named most valuable player. Jayvee Volleyball

This years junior varsity players had tough league compet tion like the varsity, the JV's often found themselves facing teams that were much taller and a great deal more experienced than the locals. The JV's came out of the season placing 5th. At the close of the season, Angela Ice was honored as the teams most valuable, many JV players look forward to a successful var sity season in 1981

Injury upset season

Lennox Cross Country team started out on the right foot, but ended on the wrong shoulder. An outstanding athlete and top runner on the squad, Sergio Yepez, in the middle of the season, broke his shoulder. This disaster hurt the team as well as Sergio, because the injury kept him out the rest of the season

The team kept running strong, though, despite this injury placing fourth place in league. At the Fall Sports Banquet awards Sergio Yepez was awarded Most Valuable Player on the team. Jose Garcia won the Coaches Award, while Car os Culqui won most Improved

JV Cross Country

The Cross Country Team of 1980 had only two members returning from last year. Mario Espinosa and Jorge Heredia. But this did not slow the J V 's will to excell and come out in front. At league finals the team placed in third place and had two runners come in the top ten; Sergio Hernandez (2nd place) and Rudy Herrera (third place)

Head Coach of the Cross Country Team, Dennis James, had the tough job of keeping the team in top condition and spirit. Thanks to this, many of the team's members improved 100%. The team was also very lucky to have Roaldo Moran, a freshman, who is the team's hope for next year. Sergio Hernandez and Rudy Herrera also did outstanding throughout the season helping upset Culver City and El Segundo. Another member of the team was Abel Pomar who was fifth man, an important place that can sometimes decide the outcome of a race.

EXCITING SEASON

This year's Varsity basketball team finished very im pressively with mostly juniors. The way the season went for the team can only be expressed in one word "shocking!" It was truly to be one of the best seasons ever for a Lennox basketball team but, because of a few complications, the Lancers fell short

Outstanding basketball ability was displayed throughout the year by senior quard, Kevin Rachall forward Otis Bowen, and juniors such as Wesley Russell, Patrick Gray, and Alfonso Cameron

FROSH-SOPH FINISHES STRONG

The Frosh-Soph Basketball team sparked by an improved desire to play together as a team, finished very strong in league this year after a shaky start

Led by Captain Rod Sheridan, Center "Fergie" Fernandez Forward Kenny "Downtown" Brown and Guard Tracy Law rence, the team showed the spirit, hustle and savvy that only winners display

Coaches Cliff Daniels and Rick Ong's team included: Eric Bardere, Stacey Mc Cauley, Ken Mosley, Calvin Kennard Victory Mendoza, Marvin Gray, Patrick Quinlan, and Billy Dr Dunk" Perkins

JV's Look Good

Playing together as a hard working and enthusi astic group, JV basketball won 6 out of their 10 league games. Captain for Lance squad was Angela. Ice. In addition to their season coach Wheeler stated these are the most exciting games. I have ever coached?

Puyol and West earn honors

This year's varsity basketball team has progressed as a strong and defensive team. Seniors who played a big part on the season's competition were center Tamniy Puyol, and guards Ardis Carnes, Dennisse Mercado and Unis Essien and foward Beverly Hunter. Strength was added by juniors, Hattle Price and Rosolyn Chavers served as fowards. Sophomores Yolanda West as guard, forward and center, guards Patrice Knox, Lynette Le Mond and Melody McFarland.

DONKEY BASKETBALL

The 1981 Donkey basketball game was a hilariou succe. Once again it was the teachers fighting it out against the students for victory. In this years game it was hard to tell if the donkeys were riding the students or the students riding the donkeys. The score this year was 36-28 in a teacher over student win. The donkeys hnally got their sweet revenge against their riders as they were throwing them off left and right and loving every minute. HA HA HA HA HA

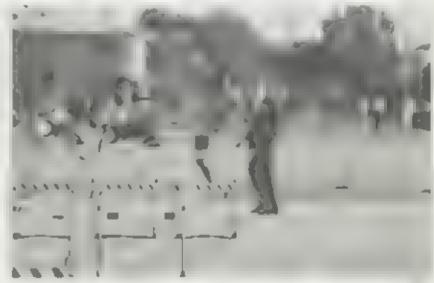

Tracksters Get Off

Although the turn out for Varsity track was disappointing several individuals stood out and surpassed what people expected of them. Carlos Gonzalez and Todd Smith were outstanding in the hundred and relays, and Gus Vietia, David Saenz and Sergio Yepez were three of the best in the mile and the two mile a so there was Herbert Calvillo and Letchin Parker who were good competitors in the shot put. Coach James did a first rate job working with such a small group.

7. David Saenz and Sergio Yepez fight for first place 8. Todd Smith soars over the hurdles 9. Moses Lopez warms up before the next meet

Good Potential For the Future

The Soph-Frosh squad displayed excellent potential in practice and early season competition. Speedburners Stacey McCauley and Gary Akinson, distance runners Jose Valez, Alex Neira all showed great promise

Emotional Season

It has been a very exciting season for the Varsity Society team this year. Although they lost their first two games the Lancers didn't give up. Coach Guttierrez anticipates going to C I F

Among the Varsity players are, Goalie Raul Alonso, Ignacio Lopez, who made our defensive line one of the best in the league, Samuel Coronado who made our halfback line much more solid, and David Velazquez and Yepez Scrqso who make the opposite defense very nervous

1. Fast foot work helps Lennox to a victory 2. Lancers score a big one against Leuzinger. 3. Player throws the ball in while teammates look on 4. Team warms up for game with Guiterrez. 5. When the Lancers want the ball they just take it. 6. Lancers even it up with this one. 7.

ANOTHER GREAT SEASON FOR VARSITY TENNIS

Although the Varsity Tennis Squad was weakened by the graduation of most of their players, several of the returning members were outstanding throughout the season. Senior Carlos Culqui led the team as the Number One player who helped the Lancers stay on top of the opposing schools. An other singles player who did overall was Alphonso Cameron a junior. On the Doubles Squad, Ruben Magdaleno and Jonathan Erhardt did an outstanding job defeating schools who were supposedly "superior" to Lennox. Overall the Varsity Tennis Team had a successful season even though some matches were lost. Head Coach Marian Kovinick hopes that more people could come out and play tennis and help the Squad be undefeated

1. Ruben Magadaleno, number one doubles player, carefully tips ballinet, scoring another point for Lennox 2. Carlos Cuiqui demonstrates his strong backhand that led him to be most valuable player. 3. Alphillametron returns a fast serve winning his match.

JV's give it all they got

Though most of the JV's tennis squad is made up of Freshmen... Sophomore Romeo Plascencia and Junior Dennis McGregor try to keep the JV's looking good. Much help came from freshmen Victor Gonzales who won most of his tennis matches. Though the JV's d d not end up as they would have liked they did have a good season thanks to Chris Roles a magnificent coach and a former Lancer Tennis player

RETURNERS ARE KEY TO SEASON

The 1981 Softball team was again this year loaded with experience and talent. Their list of All-League candidates included, Lisa Louise Mann, Noemi Rivera, Dennisse Mercado, Sharon Washington, and Lisa Trespalacios.

At the helm was second year Coach Wheeler, who told the Troubador reporter, "Our goal is to try to make it to the CIF play-offs again this year; he also stated that the team had the potential, and ability to reach it."

Captains of the team are Sharon Washington and Dennisse Mercado

YOUNG **TEAM**

This young and unexperienced team has a lot of raw talent, this is being developed by coach Africe, "this team won't quit because winners don't quit." They were young but, there were players that stood out, these were Ann King, Connie Constance, and Kelly Kocis

Fighting Lancers have high hopes

The 1981 Varsity baseball team can best be summarized as a young team with great potential. In practice games, the Lancers gathered wins against Charminade, Cathedral, St. Monica, and Norbonne to enter league compteition with a 4-2 record. The roster in cluded two sophomores and five juniors, pitchers Fernando Fernandez, Timmy Nelson and Craig Gutman are showing fine ability, and are destined for a good future at LHS. Other players displaying talent were Anthony Hampton, Tom Nelson, Florentino Sierra, Leonard Trujillio, Mirk Merencio. Each player on the roster contributes to the team's success as a whole by incorporating hard work and self-discipline

Jayvee's Surprise All

As the Troubadour went to press, the JV baseball squad had a 4-2 Pre-season scoreboard and 2-1 record in league. Achieving greater consistency was their immediate goal, and Octavius Knox and Victor Ibarra were especially strong players. Early predictions picked the JV's to do well in league play

LANCERS HAVE SPRING FEVER

In the month of March 1981, the Lennox Lancers cele brates Spring Sports Week. Lennox had many festive events, such as, soccer with mushball, nail the helmet, tug-o-war, and a school picnic. The week was topped off with the traditional Spring Sports Week dance

RITA AND KEVIN REIGN!

1981 SPRING ROYALTY

The 1981 Spring Sports Court excitedly awaited the crowning of the King, Queen, and Princesses. The moment of joy and happiness exploded among the faces of the new Royalty. I remember the first day of school, in our freshman year. Everyone and everything looked so big we were known as "Punky Freshman" and even though we thought we had graduated into a much higher and sophisticated world, we found ourselves at the bottom of a four place totem pole. We looked up at the sophomores even though they were just one year older than us. And we envied the Juniors, they had cars and seemed to dress in style. We idolized the seniors, and were in awe everytime one walked into the room. I remember how close we all were then, we needed each others support to make it through each day. I remember how on graduation night we collected the gowns, and felt so honored at being kissed on the cheek by some of the graduating senior guys. Our sophomore year was a lot different. We were still close, ver we started to drift our separate ways. Our junior vear showed some improvement Our class began to come out of the woodwork and unite as one, like we once were We all stuck tegether as we went through the emotions of almost being seniors. We made hig plans of how the class of SI was going to go in style. Graduation that year was a little bit more emotional. Even though it wasn't our graduation many of our bostriends, girlfriends, brothers and sisters graduated and it threw us into the shock of reality that we were next. On the first day of our senior year, most of us still felt like juntors, yet we knew we had finally reached the top. Now that we are here, now that we are envied by the freshman we realize that our year is only as great as we make it We were close again like we were when we started as treshman at this small, but wonderful school. We vowed to stick together this year and drift apart no further than we already had. This year has brought upon many happy and sad times. We finally realized in the 3rd quarter of our last football game against Miraleste that it was the last time we would all be together cheering for the Lennox Lanceix. We kept ourselves from crying by reminding ourselves that we still had basketball season. The last basketball game wasn't as emotional as we had expected. We creamed II Segundo and had a great half-time performance by our pep squad. Graduation is right around the corner set we all pretend we don't notice how quickly time is passing Most of us are glad to be graduating, yet there are a few like misself who wish they could hold on to this year suspended in time forever. But we all know that we must go on and that the memories we have from these past four years will hold many more memories. Graduation night is here-I walk down the aisle past the flower girls. I see my mother-she snaps a picture of me. As I arrive at my seat, everyone has on great big smiles. I see my fellow classmates filing in. I have a feeling of sadness, yet a feeling of great fulfillment and happiness, as they hand out the diplomas. I feel the end coming near. It is time to turn our tassels—It seems we've come so far, vet we've only just begun ...
